Subject: Lower Ley Creek RD Notice Letters

In response to some inquiries, I'm writing to inform you that the parties who received RD notice letters from EPA dated March 3, 2015 concerning Lower Ley Creek are as follows:

Carrier
Cooper Crouse Hinds
National Grid
Onondaga County
Plaza East

We intended to send a notice letter to National Plating as well, but have not yet determined whether it still exists as an entity. If any of you have any information (not already provided) about National Plating's current operations/corporate structure, please share it with EPA.
